28 September 2016

Dear Parents

The EYFS teachers have been working really hard on their class websites and we are now all ONLINE!

Your child's class teacher has sent you an email with the link and the password so you can access the website with ease.

Parents will often ask children, 'What did you do at school this week?' Children may not answer or say 'nothing'. You can log onto to your child's class site from home and your child can use the photographs as a visual reminder to share their learning with you.

Communication between home and school is very important. We communicate together in a variety of ways:

- **Clear Plastic Wallet-** these come to school and go home each day in your child's school bag. Please make sure your child has their Plastic wallet in their bag ready for each day and check these regularly for notices. These are specifically for permission trips and other school notices.
In EYFS2-(Reception classes) your child's phonics' book and reading record will also be sent home in these.
- **Website-** This is to keep all the important information related specifically to your child's class and EYFS all in one place. On your child's class site you will be able to check up and coming events and see photos of all the exciting things that have been happening in the classroom. You will also be able to access links including songs, games and relevant resources to support your child's learning at home too.
- **Emails/ Phone Calls-** You may also receive emails and phone calls from teachers on an individual basis that are related directly to your child. Also feel free to email us important messages too, for example if your child is being picked up by someone else/ going to a friend's house after school.

- **WOWS!**- these are for you to share about the moments when your child surprises you, for example making their bed themselves, sharing their favourite toys with their younger brothers/sisters. Please write down the Wow and send it to school so your child can share with the class teacher and friends to celebrate their WOW!

When parents and teachers work well together, everyone benefits. Parents and teachers provide each other with unique insight and different perspectives culminating in a more complete understanding of that child, their abilities, strengths, and challenges.

We look forward to working closely with you throughout this year as we share the children's learning journey together.

Yours sincerely

Tamarisk Wright
Early Years Co-Ordinator.
