Subject: IMPORTANT: CIS Community Survey for the British International School Istanbul

To: **Parents**

Dear Parent,

BISI is about to undertake the process of re-accreditation with CIS and MSA. To do so, we need to know what you really think of the school. What are our strengths and where do we need to improve? Please take a moment to complete the CIS Community Survey; this is your chance to make your feelings about the school known! The survey is completely anonymous.

The survey will take approximately 7 - 15 minutes to complete. We hope you can spare some time to help the school in its desire to improve. The survey will be available until 30 June 2018.

To access the survey, please click on this link: <https://survey.cois.org/s3/Parent-The-British-International-School-Istanbul-2018>

The survey is available in 31 different languages – choose your preferred language by clicking “Select Your Language” in the top right of the opening screen.

Please note, if you have a dual role (parent and member of staff for instance) you should complete the survey for each role as they are different surveys.

If you have any questions or need support, please contact [communications@bis.k12.tr](mailto:communications@bis.k12.tr) . Thank you very much for completing the survey.

Kind regards,

The Senior Leadership Team
