Dear Parents and Guardians

Improvisation Workshop, 20 February 2016 The Institution

The BIS Istanbul Creative Arts Department is excited to announce the first of a series of Improvisation Workshops for Secondary Students at BISI. The workshops will be led by the renowned local English-speaking group **The Institution**, and open to all Secondary Students at BISI.

‘The Institution is the only focused English-language improvisation training organization in Turkey today. Working with foreign students, local teenagers, fully fledged performers and corporations, The Institution offers bespoke improvisation courses and workshops that help teach the fundamentals and advanced aspects of good improvisation as well as helping with key English language skills.’ (From their website).

This is an opportunity for students to spend a day exploring a fine and ancient dramatic skill with highly-trained, experienced and imaginative practitioners. Please look at the excellent and informative website <http://www.institution-improv.com/> for more information.

The cost is TL 100 per person, and the workshop will take place from 10 – 4 on Saturday 20 February 2016. Please return the accompanying reply slip by the end of this term (16 December) to reserve a place. Full payment is due by 11 January 2016.

We’re looking forward to hearing from you. Best regards and thanks, as always, for your support,
